Class A Drivers Training

Program Overview

Welcome, Commercial Driving 101 is a 1 week Drivers Education program designed for individuals with

experience driving and wanting to obtain a Class A Drivers license. We offer a simple approach to teaching the 3 steps Road, Range and Theory to anyone looking to advance in their current career. We operate both Automatic and Manual transmission trucks.

Curriculum

Our 1 week course starts as soon as you have completed the permit part of Obtaining a Class A license. We can help with that! The next step is Driver Theory Training. All of this will be completed prior to starting class that begins every Monday for an In depth explanation of the pre-trip inspection. From there we work with you 1 on 1 with behind the wheel training followed up on Fridays with a State Skills exam.

Our Mission is to bridge the gap for both companies and individuals who want to upgrade their license without the hassle of a month-long course. We work at giving you the tools needed to join the Class A Club as we strive to be MN Best option for CDL Training! Check us out on Facebook and hear what others say!

Pricing starts at \$3500 for a 30 hour Program. Contact us today to learn more and find out how we can help grow your company. (952) 303-9937. We also Offer Professional Transport on our 40' Landoll contact us to learn more.
